Hello Ms. Priscilla,

I called the number and there was no answer, so I left a message. I'm not sure what the content of his message to you was, but from what I have gathered so far, we responded to a hit and run call this afternoon. A report number was generated about one o'clock PM. According to the information in the call, there was not much suspect information to work with. Once I know more, I will let you know.

Good Afternoon Sgt. Moore:

I received a phone call from a gentleman who was the victim of a hit and run accident in Carson and doesn't feel that enough was done to assist him with his situation. He feels that the person who left the scene wasn't prosecuted and wanted to lodge a complaint.

At your earliest convenience, could you please reach out to Mr. Figueroa for more details?

Thank you sir.
